

BBA Chapter 14 — Peal Imperfect Parsing Drill

Peal Imperfect · Strong and Weak Roots · Daniel and Ezra

For each numbered Peal imperfect form drawn from Daniel or Ezra, identify the Root (three root consonants, Peal perfect 3ms form), the PGN (person, gender, number), and provide an English translation. All forms are Peal (G stem) imperfect. Verb types include strong roots and the major weak classes: I-aleph, I-nun, hollow (Il-waw), III-he, and the suppletive imperfect of ■■■■.
